Indian Summer

If you have not spent an Indian
Summer (Sept. and Oct.) at
Lake Tahoe you have missed a
glorious vacation. You can
only appreciate the beauty by
experiencing it.
Fifty miles of sandy, shallow
beaches and warm crystal clear
water makes bathing a pleasure.
Deepest sounding 1900
feet. The lake does not freeze
fast. In winter, yet Tahoe is
rapidly becoming the Mecca
of winter sport enthusiasts.
